

MUHAMMAD ANIS

BACKEND ENGINEER | FULL STACK DEVELOPER

Jakarta, Indonesia | +62 812-1214-7513 | anis.assegaf2002@gmail.com
muhammadanis.cloud | github.com/mad9902 | linkedin.com/in/muhammadanis99

PROFESSIONAL SUMMARY

Backend-focused Full Stack Engineer with experience building and supporting fintech applications, REST APIs, integrations, and web products. Works across Laravel, PHP, JavaScript, Next.js, MongoDB, MySQL, GCP, and Linux, with hands-on experience in production troubleshooting, deployment, and API testing. TOEFL ITP: 620.

PROFESSIONAL EXPERIENCE

PT Surya Fajar Urun Dana (SFUND) | Full Stack Developer | Jul 2025 – Present

- Build and maintain backend services, REST APIs, and product features for a production fintech platform.
- Integrate external services and investigate API, transaction, and scheduler issues using application logs and database queries.
- Support cloud deployments and production operations on Google Cloud Platform and Linux servers.

PT Dasa Teknologi Bersama | Backend Developer | Dec 2024 – Jul 2025

- Developed and maintained REST APIs and backend features for business applications; implemented Firebase-based services.
- Validated API behavior and end-to-end workflows with Postman.

PT Culturo Kreatif Sinergi | Web Developer Intern | Feb 2023 – Feb 2024

- Built frontend and backend features for web applications and collaborated with the development team through delivery.

SELECTED PROJECTS

- **MadBot Discord Ecosystem** | Discord automation platform for around 11K users with 150+ commands across moderation, economy, AI chat, image generation, music, and utilities; includes a Laravel Filament administration dashboard.
- **Nobar Watch Party** | Room-based web application for shared viewing, synchronized playback, and room access management.
- **SneakyBites** | Multi-role restaurant discovery platform with reviews, discussion forums, moderation tools, and recommendation workflows.
- **LocaTaste** | Restaurant discovery product organized around food categories and place-based listings.
